WEATHER

Any cancellations of week night club training at Groves, or entire game days will be posted on the front of the BBSC website. Any other time, proceed to your field, ready to play. Referees have the discretion to cancel single games depending on weather at a specific game field. Our fields are spread out across Birmingham and a passing storm may not impact a field across town.

Do you know your team name?

When arriving at mid-week training at Groves, it is important that your player know their team name so we can help them locate their team on the fields. Please remember that all players should wear comfortable, athletic attire to practices.
